Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Midland Park Primary School,

Midland Park Primary has a current enrollment of 625 students CD – 1st grade as well as our Early Head Start Program that serves students birth – 4 year olds. Our primary focus is to actively engage students in order to close the achievement gap and build a solid foundation to prepare students for on-time graduation. We have two Master Reading teachers and one associate reading teacher who worked with approximately 55 students in 1st grade and two kindergarten interventionists who work with 50 kindergarten students. In addition, we focused on increasing parental involvement, increasing school-to-home interactions, and enhancing classroom instructional strategies through ongoing staff development. All of our classrooms are now equipped with integrated SMART boards and document cameras.

Teacher teams met weekly to discuss the Common Core, Instructional Practices, and data gained from sources such as Common Assessments, Measures of Academic Progress, and Dynamic Indicators of Basic Early Literacy Skills, as well as to establish SMART goals, and refine Instructional Calendars. Our MTSS Team provided the guidance and framework for our Response to Interventions. Opportunities for parental involvement were established through the continuation of family nights, PTO events, Parent Literacy Events, Math Make and Take Workshops. Communications with parents were sent home in both English and Spanish to inform all parents of school activities. This was facilitated by our school translator. Our parents are always made to feel welcome and are often seen volunteering throughout the school. Our positive school climate allows our children to feel safe in a nurturing environment where they can reach their full potential. We continue to make daily decisions based on data. Our high expectations have resulted in exemplary performances from our teachers and our students. Midland Park is part of the district BRIDGE grant. This grant provides us the opportunity to accelerate our work and deliver on the goals outlined in Vision 2016. We are excited about our accomplishments and look forward to continued success at MPP where “Excellence is Our Standard.”

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	63.7
